PARADE TO PRECEDE GARY FIRE LADDIES' GAME WITH SINGER'S

Chief Grant to Head Delegation of Steel City Citizens Coming Sunday.

Fire Chief Wilfred Grant of Gary, his band of baseball players, 150 of Gary's most prominent citizens and the famous fifty piece Elks' Saxophone band will invade South Bend next Sunday, Aug. 28, at which time an elaborate program of events will be staged at Singer's baseball park, ending with a baseball game between the Gary fire department and the Singer nine.

It is quite the most elaborate affair of its kind since the old South Bend factory league disbanded during the war.

Another event of importance will be a solo by Claude Holmes, former South Bend boy, but now a member of the Gary fire department. A

CHIEF WILFRID GRANT. miniature stage is to be erected near the home plate at the ball park and entertainers galore will appear Sunday afternoon. Mr. Holmes will sing the popular solo, "Make Believe." David Grant, secretary to the chief, another Gary songbird, will sing "Peggy O'Neill."

Seventy-five autos will leave Gary Sunday morning carrying the steel city delegation. They will make their headquarters at the Central Fire station here until it is time to leave for the baseball park. They will then parade through the principal downtown streets, led by a pilot car containing Mayor Carson and a few more prominent citizens.

At the baseball park, plans have been made to accommodate as high as 5,000 persons, the grand stand being reserved as far as practical, for the women.

C. E. Lenta, of the Singer Manufacturing Co., is taking charge of the South Bend arrangements and has secured the cooperation of all the big factories in town to help make the program a success.

Chief Grant's Gary nine has met and defeated some of the best semi-pro aggregations in three states and are confident of returning to Gary with the Singer scalp.

JONES TOPS FIELD IN WESTERN 'OPEN'

Atlanta Youngster Has Total of 139 for First 36 Holes of Play.

CLEVELAND, Aug. 25.—An amateur from the South, with the remarkable score of 69-70-139, led in the contest for the open golf championship of the Western Golf association at the end of Thursday's play at Oakwood club. Bobby Jones, of Atlanta, with machine-like golf topped the scores of the best professional golfers in the world, including Jack Hutchinson, of Chicago, British open champion, and James Barnes, of New York, national open champion.

A repetition of his score for the second half of the contest to be played by 37 survivors Thursday would give Jones a total of 278 for 72 holes, five strokes better than the events record of 283, made twice by Barnes, and eight strokes better than the record set in the national open by Chick Evans, national amateur champion.

Scoring was not so spectacular on Thursdays as on Wednesday, when three players scored under 70, but Jones barely missed a five-foot putt on the home green for a second 69 in two days. His 70 was equaled Thursday by only one other player, Laurie Ayton, of the Evanston Golf club of Chicago.

INDIANS SCORE AT WILL OFF YANKEES

Speaker's Clan Goes Back Into First Place by Hitting Shawkey Hard.

CLEVELAND, Aug. 25.—Cleveland went back into first place again Thursday by defeating the Yankees 15 to 1. Sotheron was a puzzle to the Yankees with men on base, while Bob Shawkey and Collins were ineffective, and Harper, who pitched the last inning, was wild. A near riot took place in the last half of the eighth inning. Harper hit Jamieson in the ribs, Gardner on the arm and O'Neill in the back. O'Neill, enraged, grabbed the ball and threw it wide of Harper. The two then squared off to use their fists, but were separated before either had inflicted any damage. Mounted policemen came upon the field when the game ended and protected New York players and the umpires from molestation. Score: New York . . . 100 000 000—1 10 5 Cleveland . . . 112 040 24x—15 17 0 Shawkey, Collins, Harper and Schang; Devorner; Sotheron and O'Neill; Shinnault.

"Big Six" Won't Be Able to See 1921 World Series

BY EDWARD M. THIERRY.
SARANAC LAKE, N. Y., Aug. 25.—Christy Mathewson can't leave here for another year—least an has come on his birthday, August 12. Messages came from all over the country, Matty was 41 that day.

"There wasn't much celebration," said Mrs. Mathewson, "Christy had an automobile ride for a birthday present. Our son, Christy, Jr., came from the boys' camp he is attending."

Matty doesn't talk much baseball, his wife said.

Heart in Game.
"It is the subject closest to his heart," she said, "but we talk of it very little. Yes, he read about the Chicago players being acquitted. His opinion? Well, he doesn't say much. But he felt the baseball scandal keenly. It was a blow to his ideals."

He came to Saranac Lake a year ago last July in a very weakened condition. A slow rest cure ensued and last winter there was a crisis when it was decided to collapse one of his lungs. He has gained strength since then. In the spring he was able to play

GOOD ENTRIES FOR LOCAL FAIR RACES

Chairman of Fair Speed Committee Promises Excellent Field of Starters.

J. W. Lower, chairman of the committee on speed events for the seventh annual Interstate fair to be held at Springbrook park Sept. 13 to 17, has just returned from a swing around the early fair circuit and reports that some great racing talent will face the starter on Springbrook park's famous half-mile oval.

Mr. Lower spent some time in Findlay, O.; North Manchester, Ind., and Saginaw, Mich., and during the next two weeks will also visit Detroit, Indianapolis and Louisville. According to the local man, while good horses are rather hard to secure, the dates of the South Bend fair are ideal and as a result the pick of the various tracks will compete for the rich purses hung up there.

May Lower Records.
With such horses as Ben MacGregor, Bingen Bold, Teddy J. and Miss Ellen Todd entered in the various events, lovers of racing from miles around will flock to Springbrook park to witness their efforts to lower already wonderful marks.

An effort is also being made to secure entries for one running race to close the program each afternoon, and it is with this particularly in mind that Mr. Lower will visit Louisville. The running races would be held last each day, thus enabling the workmen to get the track in ideal shape for the next day's harness races.
